

# WE CAN BE THE KEY TO UNLOCKING YOUR SUCCESS

Enhanced Patient Engagement, Increased Revenue,  
and Improved Compliance in Just 30 Days

## WE CAN TRANSFORM **YOUR PATIENT HEALTH & YOUR BOTTOM LINE**

Healthcare Evolution Group uses exclusive, industry-leading technology to tailor the medical approach for each patient, without additional staffing needs, and without adding to the burden on your existing providers, all with no up-front costs.

### PATIENT ENGAGEMENT

Electronic patient engagement for more effective patient attribution, virtual or in-person consultations based on patient needs, and improved Quality Measures of Care.

### REVENUE

Our cutting-edge technology & staffing helps you find & close gaps in patient care, for significantly increased profits & improved MIPS/HEDIS scores.

### COMPLIANCE

Our proprietary systems ensure that all new revenue and reimbursements are fully-compliant & easily integrates with your EHR.

### RAF SCORE IMPROVEMENT

Exclusive CareLync technology precisely redocuments & captures new HCC Coding that directly affects your RAF scores.
